Monjur Plan
Comparison Worksheet

Use this worksheet to evaluate your Managed Service Provider (MSP) business needs and determine which Monjur plan—**Essentials** or **Standard**—is the best fit for your organization. Follow the steps to compare key features, assess customization needs, and plan for future growth.

1	Key Features Comparison

Compare the features of Monjur Essentials and Standard plans side by side.		
Feature	**Essentials Plan**	**Standard Plan**
Monthly Payment	$299	$597
Set-Up Fee	$299	$597
Satisfaction Guarantee	90 days	90 days
Master Services Agreement (MSA)	Updated monthly	Annual update
Service Attachments	Managed Services: Monthly updates	Quarterly/Annual updates
Schedule of Services	Not included	Updated quarterly
Customization Options	Not available	Two rounds + annual review
Privacy, Security, and Compliance Bundles	$50/month	$99/month
Managed AI Bundles	$50/month	$99/month
ConnectWise CPQ Integration	Not included	Included

2	Customization Needs Assessment

Evaluate whether your business requires personalized or tailored documents.

Do you need personalized documents with your company logo?

☐ Yes   ☐ No

Do you require customized service descriptions?

☐ Yes   ☐ No

Do you need regular updates to ensure compliance with evolving regulations?

☐ Yes   ☐ No

3	Growth Planning

Consider your future goals and how each plan aligns with your growth strategy.

Projected Revenue Over the Next 3 Years:
